Why these candidates deserve our support:

- **Let's continue our momentum** — Franklin is widely recognized as a model city and a wonderful place to live, work and raise a family. Our leaders have earned the opportunity to build on that success.
- **Balanced, common-sense leadership** — The incumbents have successfully led Franklin through unprecedented growth that has allowed our city to maintain its historic charm while welcoming newcomers into the community.
- **Uniting, not dividing** – Franklin deserves leaders who are transparent, honest and have the greater good of the community at heart, who are not driven by divisive ideological issues.
